

This revealing article explains the vast difference between Japan's strength and America's might, between Britain's solidarity and Japan's mixture of Edson and Shindon.

The clarity and philosophy of this illuminative article make it tremendously worth reading because its subject will be conversation for the next 30 years.

Li Hong Chang in suffering washed his old Empire destroy China with her flower raids, etc. Business and political Russia in suffering watched Cardon lead into collapse and revolution.

Most business and war-torn Japanese now do the same Japan is only a shell when it comes to substance. Her little island with only 140,000 square miles, a great part of which lies on sea-side, reveals the difficulty of good living for her masses. The truth is, Japan simply is not there; but, never having had a real world fight on her hands, her people have not the pugnacity of the upstarts of the East.

"WILL JAPAN COMMIT SUICIDE?"

By LEON TROTSKY
Reprinted from "Liberty"

The great human tragedy of the postwar world is the spectacle of Japan's irresistible plow toward the same abyss which swallowed czarist Russia.

The idea that Japan is invincible is a myth, and the Island Empire is in fact neither economically nor politically able to withstand the double-headed threat of war and revolution which her cynical statesmanship so liberally discounts.

Imperial Japan is poised over a social volcano which may at any moment sweep away her grandiose ambitions.

The Japanese ruling classes are suffering from swelled heads and believe that they can escape from their unpunished internal problems by a foreign policy of conquest, tactics and international racketeering. So far they have been successful.

International treaties are cynically violated.

Manchuria is annexed under the masquerade of "recognizing" an "independent government."

The League of Nations piles up reports which get worse.

America follows a policy of watchful waiting.

The Soviet Union makes concessions to Imperial Japan.

The logical conclusion seems to be that Japan cannot be defeated and that her manifest destiny is to rule over not only Asia, but the whole world.

JAPAN'S FIVE WEAKNESSES

As told by Leon Trotsky:

- 1—Low national income (\$23 per head of population per year).
- 2—Japan's industry mainly light and backward in other words.
- 3—Japan's army has all the virtues of old Hohenzollern army without its virtues.
- 4—Japan's peasants pay \$213 millions a year (Russian peasants received at paying \$250 millions).
- 5—Fifty million oppressed millions against 65 million Japanese.

The "Twenty-one Demands" for General Tanaka's famous Memorandum of 1927.

Japan's expansion, the defeat of America and Russia, in the Pacific, the height of insane megalomania of Japan's ruling classes.

It is an astounding document.

U.S. PLACID AT ARMS DEBACLE

WASHINGTON, Nov. 17.—The Roosevelt administration is watching with little concern and no serious thought the latest disarmament conference, and the apparently impending disintegration of the League of Nations following Italy's withdrawal from the armistice yesterday.

The administration months ago recognized the inevitable failure of the Geneva armistice when Japan's demands for parity with Great Britain and the United States in naval armaments.

SAN JOSE BOY MURDERED BY KIDNAP THUGS

SAN JOSE, CALIF., Nov. 17.—Efforts to recover the body of Brockle L. Hart, which authorities said would complete the case against his alleged kidnappers and slayers, were pressed by state and federal authorities today. Groping hands brought up a strip of white cloth with thin purple stripes from the back near the place the two men were quoted as saying they tossed the 22-year-old San Jose slayer. Attached to the cloth strip was what officers said looked like a piece of human flesh. The cloth and flesh were brought to San Francisco, where the latter will be analyzed today.

SAN JOSE, CALIF., Nov. 17.—Two men who authorities said confessed they kidnapped and killed Brockle L. Hart, were quoted as saying they were not violent men tonight while the strip was what officers said looked like a piece of human flesh. The cloth and flesh were brought to San Francisco, where the latter will be analyzed today.

Edmontonians Are Congratulated By A.A.U. Of Canada

WINNIPEG, Nov. 17.—Mr. and Mrs. John Leslie of Edmonton received congratulations from the Amateur Athletic Union of Canada today on their twenty-third wedding anniversary.

Just as the second day of the union's convention was opening, Mr. C. D. Shipler, president of the A.A.U. of Canada, and Mr. Leslie, president of the A.A.U. of Alberta, met to discuss the anniversary to the attention of the convention.

Then it was explained it was a letter Mr. Leslie received from his wife that made him come to the union in the presence of other delegates. "It might have been a 'bad break' when the news got out but he has been a real helpmate to me in all my work," Mr. Leslie said, recognizing the festivities expressed by the Union.

A bouquet was telegraphed to Mr. Leslie.

Single Jobless Endorse Protest Of Labor Fed'n

At a business meeting of the Edmonton Single Unemployed Men's Association held Wednesday, the action of the Alberta Federation of Labor in protesting against the action of A. A. McKenzie, superintendent of relief in Alberta, was fully endorsed. The Single Unemployed Men's Association endorsed the Alberta Federation of Labor's full support in this matter.

Ve Ingraham Shows Marked Improvement

A perceptible improvement is shown in the condition of Ve Ingraham, of Murphy Services Limited, according to a radiogram received Friday afternoon from Dr. J. A. Ureman of Akivik, by night Murphy here.

Ingraham has had two nights good rest and his general condition is improving. His cough is much improved, and his appetite is better. He is expected to leave Akivik in a few days.

DETAILS SET BY GROUP OF AIR EXPERTS

Scheduled Quick, Safe London-Paris Trip for \$550

Assured

NEW YORK, Nov. 17.—At a meeting last night a dozen flyers, airplane designers and manufacturers and representatives of American and European air lines discussed details of schedules for Trans-Atlantic travel by air. On one point they all agreed—that by the end of 1934, or 1935 at the latest, regulars will be making scheduled flights across the Atlantic with the regularity of railroad trains.

Clarence D. Chamberlain, Trans-Atlantic flyer, acted as chairman. On these points, too, they agreed: That in two years at the most John Citizen may fly with perfect safety from New York to Paris in 24 hours for \$550.

That he may send a letter from the United States to Europe by air at a maximum cost of 50 cents an ounce.

That air freight, including a long list of articles ranging from salmon to oranges to rice, will pay the bills just as freight pays for the railroads.

TWO GET JAIL FOR BURGLARY

Clifford Correll and Ronald Stanley were given two years each in jail by Justice Boyle in a criminal court on Thursday, when they were found guilty of breaking into and stealing from a car.

The pair were arrested in the early hours of October 1st, and a search of the car revealed \$100 and a small amount of jewelry.

The pair were found guilty of breaking into the car and stealing the money and jewelry. They were sentenced to two years each in jail.

KIDNAP PAIR ADMIT KILLING THEIR VICTIM

Continued on Page 2, Col. 4

county bridge, a few miles from where officers said Holmes and Thurmond admitted beating the 22-year-old victim with a brick, binding him and tossing him into the bay, before dragging him to the shore. Authorities said chances of recovering the body were slim, pointing out that swift currents probably carried it away.

Details of the alleged confession of officers said checked with facts in the case, even to the discovery of Hart's wallet on the rail of an oil tank which had been tied up on the San Francisco waterfront.

Thurmond was quoted by officers as saying he threw the wallet into the bay from the waterfront after coming to San Francisco and notifying Hart's family by telephone of the kidnapping and demanding \$10,000.

The accused men have been known in San Jose as reputable and industrious and not until Thurmond was trapped in a telephone booth early Thursday while talking to Hart's father, Alvin, did he admit the ransom payment, was any suspicion directed toward them.

Thurmond, until recently employed by an oil company, is unmarried. Holmes was born in San Jose and was graduated from the San Jose high school in 1928. He and his wife separated about six weeks ago. The couple have two children.

Hold-up Girl Hails Man On Highway

LOS ANGELES, Nov. 17.—George J. Benedict, wealthy retired business man, was held up on a highway near Los Angeles last night. He was carrying \$2,000 in cash and jewelry by him. The victim hailed the man, asking for help with a stalled car. The man, however, demanded \$10,000.

SEEK TO DEFEAT U. S. PROCLAIM

They'll Steer Ship Of State In B.C.

THE MANCHURIAN CRISIS IS HIS AVES TRAITOR

Continued from Page One

Official Japanese claims that the Tanaka Memorial is a forgery, do not weaken its persuasive force by one iota. There is no forcing such a text. In any case, Japan's policies during the past few years supply irrefutable proof of the authenticity of this document.

The successful execution of Japan's program of greater control over Manchuria upon whether her military leaders have formed a correct estimate of her powers to wage a projected war against a first-class military nation.

JAPAN'S GREAT MYTH

The Manchurian crisis has no conclusive proof. It was more like military manoeuvres than like war. It was more a series of tests than a real war. It was more a series of tests than a real war. It was more a series of tests than a real war.

The principle of reality is the decisive factor in war. Once upon a time the empire of the Caesars also passed from victory to victory from an isolated Moscow principality. It transformed itself into the mightiest empire in the world.

The Caesars' armies were described as invincible in all the schoolbooks. But all that was happening was that old Russia, depending upon the half-trained peasant, won single-handed victories over the barbaric tribes of Central Asia and the Caucasus, or over state-enslaved peoples like the Poles and under her feudal nobility or Turkey under the Sultan.

The Russian army was minor successes only so long as it was used in the manner of the Russian army. It entered the main theatre of military operations against Germany. It entered the main theatre of military operations against Germany.

For the comparative elements in the military of the Japanese army, no mysterious properties of "race." They spring from combinations of will and power, and from the condition of a country's natural resources.

At the beginning of the century the Japanese army was a political clique at St. Petersburg. It was a political clique at St. Petersburg. It was a political clique at St. Petersburg.

Japan's army suffers from total and irreparable weakness. Since the war with the United States, Japan has undoubtedly made considerable progress in the development of her military.

Japan's army suffers from total and irreparable weakness. Since the war with the United States, Japan has undoubtedly made considerable progress in the development of her military.

Japan's army suffers from total and irreparable weakness. Since the war with the United States, Japan has undoubtedly made considerable progress in the development of her military.

Below are shown Hon. T. D. Pattullo, newly elected premier of British Columbia and the members of his cabinet who were sworn into office on Wednesday last. Only three of them have had previous administrative experience.

The United States consumes 372 million tons of coal per annum, western European nations, 245 million, the Soviet Union, more than 72 million, Japan, less than 62 million.

And modern war is waged with metal. It may be proved that Manchuria opens up large perspectives to Japanese industry, but large perspectives require large capital and long periods of time — and Japan can count on neither.

What can be FAKED

Having been literally copied from old Japanese sources, the Japanese army has, in an exaggerated form, all the internal vices of the old Hohenzollern army without beginning to have its virtues.

Remark himself once said that you could copy the Prussian military regulations but you couldn't take a Prussian soldier.

Japan's military power is handicapped by the desperately low level of the nation's economic resources. These ideas are not only valuable in a certain point Japan's military development of tanked as a widening of Japan's military power.

While under peculiarly favorable conditions, a people with such spiritual ideas were able to achieve extraordinary success. To a certain point Japan's military development of tanked as a widening of Japan's military power.

Not a single one of the contemporary nations took form without a revolution, even a series of revolutions. Modern Japan has belatedly adopted the policy of the Soviet Union, and it is destined to be fundamentally correct.

But it takes two sides to keep the balance of power. Japan's military development of tanked as a widening of Japan's military power.

At the beginning of the century the Japanese army was a political clique at St. Petersburg. It was a political clique at St. Petersburg. It was a political clique at St. Petersburg.

Japan's army suffers from total and irreparable weakness. Since the war with the United States, Japan has undoubtedly made considerable progress in the development of her military.

BANK GOVERNORS CONSPIRING SAYS FINANCE WRITER

Roosevelt Policy Viewed as Deliberate Attempt to Force France Off Gold, Creating Dollar Dictatorship.

LONDON, Nov. 17.—The financial editor of the Herald and in an article Thursday that Monsieur Newman, Governor of the Bank of England, and Clement M. McKelvey, Governor of the Bank of France, were conspiring in a determined effort to defeat President Roosevelt's monetary policy.

The financial editor said the bank heads, interpreted President Roosevelt's policy as a deliberate attempt to force France off the gold standard and create a dollar dictatorship as a prelude to establishing a new world-wide monetary system.

Edmonton Women Read In Beautiful China Display

"Hands across the tea" may well be the resulting kinship between the old world and the new when a display of Peking china, direct from an exhibition in London, completes its tour of the Dominion of Canada. "By Appointment, His Majesty the King" on robes, on entering the bunting-decked display cases erected at the Hudson's Bay Company this week in order to give Edmonton women an opportunity to see, at its best, the exhibit that so delighted royalty and nobility, and entrained thousands of Britishers, when it was originally shown.

Here, indeed, is a direct "By Appointment" appeal to women through their love of that beautiful and graceful beauty that is to be found only in exquisite china. Mrs. F. A. Miller, who is in charge, and hundreds of Edmontonians are enjoying the display and the beautiful china held in connection. Mrs. N. J. H. Miller, who is in charge, and hundreds of Edmontonians are enjoying the display and the beautiful china held in connection. Mrs. N. J. H. Miller, who is in charge, and hundreds of Edmontonians are enjoying the display and the beautiful china held in connection.

Gainor Puts Calgary Tigers Through Hard Work At Coast

VANCOUVER, Nov. 17.—Playing coach "Doc" Gainor and his Calgary Tigers are taking their job practically seriously here in preparation for their opening Northwest Professional Hockey League fixture with Vancouver Lions Monday. The Tigers arrived Wednesday night and immediately went to the arena for a midnight workout. Thursday, the Alberta pucksters raced through a strenuous morning workout and planned another for Thursday evening.

LEITCH NAMES REFEREE LIST FOR NEW LOOP

Out where the breezes blow off the Pacific, Alberta's pair of pro hockey teams will take in the winter season on Monday night, while on the supposedly cold prairies here we wonder when, if ever, we are to see some puck action. Certainly this weather doesn't make it seem very promising for some time yet. . . . And to this a couple of weeks ago everybody was getting all ready for the favorite winter sport of Canadians. . . . The junior leagues, for example, expected to start their schedule Sunday. But what a chance they have in doing anything like that now!

As may be noted elsewhere in these columns, Calgary Tigers worked out in Vancouver yesterday, while the Eskimos, who left the city Thursday night, will be in Seattle to practice tomorrow in preparation for their opener. . . . All of the Rake were ready to see some ice as soon as possible when they left here. . . .

There isn't a single major sports attraction here in Edmonton over the coming week-end—much strange state of affairs for a city that is accustomed to so much of the kind of activity. . . . The weatherman is responsible for the absence of any thing in an athletic line as the early morn wiped out the football season, and then the big snow came along to make hockey an impossibility. . . .

Two Records Discussed By Simon Pures

World-equaling Marks of Edwards-Strike Are Probed

WINNIPEG, Nov. 17.—The Amateur Athletic Union of Canada Thursday took steps to establish a national recognition of world-equaling records made by Phil Edwards of Hamilton and Hilda Strick of Toronto.

Edwards, running at Hamilton, scored 660 yards in one minute, and 2.5 seconds for the 100 meters dash, set by her at an athletic meet in Hamilton, New York. No previous Canadian record for the distance previously had been recognized but the Union in annual convention here, decided to accept the records.

STRIKE RECORD DISCUSSED

Miss Strick's Canadian record of 7.43 seconds for the 100 meters dash, set by her at an athletic meet in Hamilton, New York. No previous Canadian record for the distance previously had been recognized but the Union in annual convention here, decided to accept the records.

Official of the Union pointed out that the only other woman to equal Miss Strick's achievement by coming from the Alberta branch, under whose jurisdiction the race was run, was in 1910, when Miss Strick's home record of the race officials were in order, but it was reported that Miss Strick made six false starts and did not run in the preliminary heat.

The main factor in the production of wool has been proved by recent experiments. Scientists have found that the amount of protein in the sheep's ration.

100% GRAIN NEUTRALIZED IN LONDON, ENGLAND

FULL STRENGTH - 11 UNDER PROOF

As Queen's Tied Up Race

Teddy Reeve's tricolored squad from Queen's University, Kingston, started out this season with little or nothing to work on. Today they are tied with Toronto for first place in the Intercollegiate and will play off in Toronto next week. But Queen's had their trouble in putting

away the fighting Monarchs of Western University, as much trouble as Varsity had in doing the same. The above illustration shows a scene from the game. The London, played as were all games in Canada, on a snow-covered, dry ground, that did not make for the best of football.

SAME SLATE OF OFFICERS FOR MINORS

Association to Curb All Shoestring Operators, Prepare for 1934

GALVESTON, Tex., Nov. 17.—Minor Baseball League Club members here today elected officers for their association, adopted a resolution designed to curb "shoestring operators" and set out strengthening their teams for the campaign of 1934.

G. O. Bramham of Durham, N.C., for two years president of the International Association of Professional Baseball Leagues, was chosen again as president. His salary was raised from \$6,000 to \$8,500 and his term was extended from one to two years.

DETROIT HAS VICTORY FOR FIRST PLACE

Carrigan Scores, Assists For Pair of Points as Mates Beat Bisons

DETROIT, Mich., Nov. 17.—Detroit Olympians went into undisputed leadership of the International League here Thursday night by coming from behind to defeat the Buffalo Bisons 4-2.

Trailing by two goals as late as the second period, the Olympians put on a great scoring drive which carried them to the lead in the third, to the count, and three goals in the third.

Toronto 'Varsity Retire In Playoff

TOLEDO, Nov. 17.—Hammers were current here Thursday that the University of Toronto senior football team would retire from competition for the season after Saturday's intercollegiate playoff with Queens regardless of its outcome.

Important Ottawa Gridders To Stay On Team Next Year

OTAWA, Nov. 17.—Walter Nester will coach Ottawa Rough Riders again next fall and Al Blomvis, Lorne Johnson, Johnnie Kline, Tom Graham and Bud Andrews, American college players who helped to put Ottawa back in the football map this year, will play in Ottawa. These announcements were made today at a banquet honoring the players by the club executive.

BIG WINGLINE, FLASHY BACKS ON ALL-STAR

O.R.F.U. Mythical Team Packed With Pounding and Brilliance

By Elmer Dulmage, Canadian Press Staff Writer

TORONTO, Nov. 17.—Packed with extraordinary pounding from one end of the wingline to the other, a massive blocking unit that yet was top-heavy defensively, was assembled today from the ranks of the Ontario rugby football union as the first all-star O. R. F. U. team.

Coach and sports writers who selected the team for the Canadian Press balloted heavily in favor of a sturdy wingline. They voted into place on the mythical squad a tremendous front flank, and behind it a very strong line of the back three, the most brilliant ball player in the union, the best field general.

AMERICANS DRAW WITH MAROONS

MONTREAL, Nov. 17.—An overwhelming 2-1 tie before a small crowd of 2,500 fans here Thursday night left New York Americans still at the bottom of the Canadian section of the National Hockey league, with Maroons their opponents, one point above them.

DISPUTE HAS NO EFFECT ON TOUR

MELBOURNE, Australia, Nov. 17.—Cubley were exchanged Thursday between the British and Australian cricket control boards regarding the tour of Australia by the Australians tour England next summer, and although the contents of the cables were not made public it is believed the tour will not be adversely affected.

East Football In Grand Tangle

TORONTO, Nov. 17.—The Western Canada junior football league which is to travel east for the Dominion championship this year, is expected to wait a while, for there is a grand tangle in Ontario. Seven teams are still in the running, and the situation should be somewhat clarified this week-end.

Rhode Island Wins Against New Haven

PROVIDENCE, R.I., Nov. 17.—Rhode Island Blues triumphed over New Haven Blues 10-0 in the first game of the Canadian Intercollegiate League season in Providence.

Berlin May Not Have Olympiad

WASHINGTON, Nov. 17.—An effort to shift the next Olympiad to Berlin was made today by the German government because of activities of the Miller government against the Olympic movement.

Rangers Nose Out Detroit Red Wings In Rough Contest

NEW YORK, Nov. 17.—New York Rangers, last season's champions of the hockey world, won their first game of the new National Hockey season Thursday night, defeating Detroit Red Wings 2-1 in a fast, rough encounter.

The defeat knocked out of Detroit one of the 1-4 American division lead as Chicago defeated Ottawa to move ahead.

The Cook boys, Bill and Bun, and account for the Rangers' victory. Ranger tallies, while Larry Arzuff, second place, Detroit in the third period.

SENATORS ARE BEATEN BY HAWKS

CHICAGO, Nov. 17.—The Chicago Blackhawks took a tumble out of George Reuther's star-studded Chicago Senators here Thursday night, winning a hard-fought National Hockey league game 2-1.

Dark-haired Paul Thompson put Hawks ahead less than a minute after Referee Mike Rodden dropped the puck between the opposing goalkeepers to start proceedings. Before the period was over Jerry Shannon, former Niagara Falls amateur, tied it up with another solid goal.

Coulter flashed the red light for the goal goal early in the second period as a scramble behind the Senators net.

AMERICANS DRAW WITH MAROONS

MONTREAL, Nov. 17.—An overwhelming 2-1 tie before a small crowd of 2,500 fans here Thursday night left New York Americans still at the bottom of the Canadian section of the National Hockey league, with Maroons their opponents, one point above them.

There was little excitement in a dull and spiritless game relieved at times by a smart goal-scoring drive by Dave Keck, veteran Montreal player, scored both the Maroon goals and gave them scoring sweepers. The New Yorkers went to the front in the second period when Red Jackson rifled a high shot at the upper corner.

DISPUTE HAS NO EFFECT ON TOUR

MELBOURNE, Australia, Nov. 17.—Cubley were exchanged Thursday between the British and Australian cricket control boards regarding the tour of Australia by the Australians tour England next summer, and although the contents of the cables were not made public it is believed the tour will not be adversely affected.

East Football In Grand Tangle

TORONTO, Nov. 17.—The Western Canada junior football league which is to travel east for the Dominion championship this year, is expected to wait a while, for there is a grand tangle in Ontario. Seven teams are still in the running, and the situation should be somewhat clarified this week-end.

Rhode Island Wins Against New Haven

PROVIDENCE, R.I., Nov. 17.—Rhode Island Blues triumphed over New Haven Blues 10-0 in the first game of the Canadian Intercollegiate League season in Providence.

Secret British Government Motors May Power Speedboat

MONTREAL, Nov. 17.—If Hubert Scott-Paine can obtain release from the British government secret list of two Rolls-Royce engines, he will be able to build a motor speedboat, according to J. W. Shill, outboard motor designer of London, who is here on a business trip.

Design and construction of the engines are being held secret by the government, Shill said.

GRID PLAYOFF GAMES BILLED ON SATURDAY

Intercollegiate, Big Four Battles Scheduled In Eastern Canada

TORONTO, Nov. 17.—Queens University of Toronto and Montreal hooks up with Toronto Argonauts on the eastern end of the frozen football sector Saturday in games that may show a mini-war of football under the existing conditions but will go a long way toward settling the national championship for 1933.

It will be the third meeting this season between the Argonauts and the blue and because they delivered for the hand on both occasions Ted Reeve's Kingston squad will find favorites in the sudden-death playoff for the Intercollegiate title here. Varsity has defeated the Queens University of Toronto in the two previous seasons.

Cincinnati Fielder Traded For Pitcher

GASTON, N.C., Nov. 17.—Harry McPhail of Cincinnati Reds announced Thursday night George Venable, veteran outfielder, had been traded to New York Giants for pitcher, Fred Goetz. The deal involved no cash.

Savage To Captain Calgary Pro Club

CALGARY, Nov. 17.—Gordon "Tony" Savage will captain Calgary Tigers in the new season of the Northwest Pro Hockey League. Norman "Duke" Galt will be coach. Manager Lloyd Turner announced Thursday night.

ALLEY OOP The Man of The Hour! —By Hamlin

Coldest November In 20 Years Grasps Ontario

BITTER WEATHER DANGERS LIVES OF MANY SHIP CREWS

The ice and snow of November's winter season, bitterest, most treacherous in two decades, tightened their grasp yesterday on Ontario, reaching into the eastern sector over the Quebec border to threaten the lives of 14 aboard a sinking freighter, the Scotian; into the north to maroon deer hunters anxious to get home; to the south to threaten the lives of many ship crews.

The Scotian, sunk in the St. Lawrence river, off Colborne, Ont., with less than five minutes notice, after being hit by a heavy ice cake, buckled in ice and sank.

The Scotian, a 100-ton freighter, was carrying a cargo of 13 men and crew members. Her crew of 13 men and crew members were in the vessel's two cabins and were less than 30 feet from the listing freighter when she turned upside down and sank in 12 feet of water, her hull rising high out of the river.

The fact the Scotian had been buckled in ice all the way from Montreal to Port Hope on her last trip of the season is credited with causing the sinking.

The heavier Canadian, owned by the Canada Steamship Lines, had not been reported since she left Port Hope for the last of the season. The vessel was believed, however, to be in another somewhere along the coast.

The steamer Adrian-Bell had been missing for 48 hours last night on Lake Ontario and all boats were ordered by the United States coast guard to search for her. The Adrian-Bell was last seen by the Canadian coast guard at St. Catharines, O. She carried a crew of 22.

Sydney, Australia, is the largest wood-sheep centre in the world.

met with great success in their sale of tickets. Club women and other groups wishing to assist Mrs. McPherson in carrying her campaign to a higher credit are active in sponsoring the affair, which will include bridge and whist at eight o'clock and dancing later in the evening.

Special entertainment will be provided at the intermission. It is expected that Mrs. McPherson will be present, and all those who are interested in this project will be well served at the affair.

Experts of Canadian applied for a license to cross British up to October 15 increased 100 per cent on barrels and 5 per cent on boxes in comparison with the corresponding date last year. 1933 784,108 barrels, 1932, 388,708.

Swift Air Liner On Long Route

The wheels folded into receptacles as it cut down air resistance, here's how Europe's first high-speed passenger plane appeared as it took the air for the Holland-Dutch East India run, world's longest, regular air route. It is powered with three Wright Cyclone engines of 640-horsepower each, holds 12 passengers and makes 180 miles an hour.

Expect Crowd At Cora McPherson's Benefit Dance

With the interest and sympathy of many Edmonton citizens enlisted, the committee in charge of the benefit dance party and dinner for the Cora McPherson Fund having been organized, it is expected that a large crowd will be present at the affair, which will include bridge and whist at eight o'clock and dancing later in the evening.

Special entertainment will be provided at the intermission. It is expected that Mrs. McPherson will be present, and all those who are interested in this project will be well served at the affair.

PAPERS FOUND BEST FOR ADS

NEW YORK, Nov. 17.—Newspapers are found first in the field of organs of information, advertising and opinion, despite the growing number of other mediums, Raymond C. Mayer, sales promotion and publicity counsel, declares in a book published today by Harper and Row.

It is called "How To Do Publicity."

Red Deer Grifts Reorganize For General Election

RED DEER, Nov. 17.—Called to consider the possibility of reorganizing for the forthcoming provincial and federal elections, the Red Deer Liberals held a Red Deer Grifts meeting at the Red Deer Grifts hall when officers will be named and other business transacted.

Respectfully from the ruling word of Red Deer are encouraged. It was stated, and it is the party's intention to call a convention of the whole riding as soon as possible.

Growth St. John Ambulance Group Has Been Rapid

St. John Ambulance association in Canada during recent years that has become necessary for various local districts and centers holding first aid contests to eliminate contestants to those competing in the finals in order that selecting of winners in various classes and under conditions of service will be done by the director general, J. T. Clarke, Ottawa. This step is necessary so that the director general can compare the judging from the different districts.

In a letter to the local organization, Mr. Clarke states that their efforts are already being circulated and a much larger entry list is anticipated. He also stresses the importance of those competing in the finals to be of extreme importance as a number of certificates in this branch of service have had many opportunities to bring comfort and happiness to countless homes.

The Edmonton branch of the St. John Ambulance association, which has been organized, can be obtained from the association's headquarters, which are located in the old Police Station building on 36 street.

ROOF BLOWN AWAY, WOMAN, BABE EXPOSED

Sick Mother, Newborn Tot Victims of Storm Fury at Opal

OPAL, Nov. 17.—Sleeping in her bed with her four-day-old, first-born baby beside her, Mrs. R. Kershaw found herself wakened this morning in a raging storm which a high wind tore the roof from her house.

The sick woman was removed by her husband to the nearest house where they will reside until a new house is built. Their shock was deepened by the wind.

The storm blew a newly-built shed off its foundation on the farm of C. Plack and buried it in feet of snow from the building. Many other buildings, barns and other structures were damaged.

A house in Clatskanie, Ore., struck with all force, was blown away through the agency of the Dominant Westwind.

Hats With a Present and a Future!

And, we might state first of all, each is a present at the Sale's low price. Turbans, brimmed sailors, berets—Oh, the choice in styles is a long, long story. Many a perky feather, of course, as the mode dictates. Touches of velvet, too, or rows of tucking or of gros-grain. The wanted colors. Larger head sizes included. MID-MONTH SALE, \$1.29

—Millinery, Second Floor

Service Weight Silk Stockings

Every Pair 100% Perfect!

A silk hose in the medium texture that wears so well—grand for day-in, day-out service right now. Full fashioned, of course, with feet and garter heels of a fine silk.

At least eight smart shades from which to choose. Sizes 8½ to 10½. MID-MONTH SALE PAIR

79c

Grenadine Chiffon Hose

Full fashioned stockings of a wispy sheerness. Their shades are subtle. Their finish is dull, to flatter. Fashioned with every "expensive" features: cradle soles, panel heels, silk-to-the-top.

"Subs" of a higher priced line. Sizes 8½ to 10½. MID-MONTH SALE PAIR

59c

Silk Crepe Hose

Popular—VERY Popular

Stockings of a dollar-fifty line—Sale priced due to a "substandard" rating. Silk, every thread. A silk woven with that dull, crepe look and texture we like. Pleat tops; cradle soles; panel heels. A complete size range, 8½ to 10½, in a lovely selection of shades. Full-fashioned. MID-MONTH SALE PAIR
